

THE 1965 SPRING SUPPLEMENT

Second row: Sam Torrisi (Assistant Manager), Richard Dufresne, Stephen Whittaker, Leonard White, Brendon Foster, John Donahue, Robert Gesing, Coach George Lee. First row: Richard Elander, Neil Hermann, William De-Barba, Richard Robinson (Captain), John Stephenson, Paul Routhier, Bruce Allen, Clifton Stone, Richard Ceplikas (Manager).

BASEBALL

Under the competent guidance of Coach George Lee, this year's baseball team enjoyed a good season.

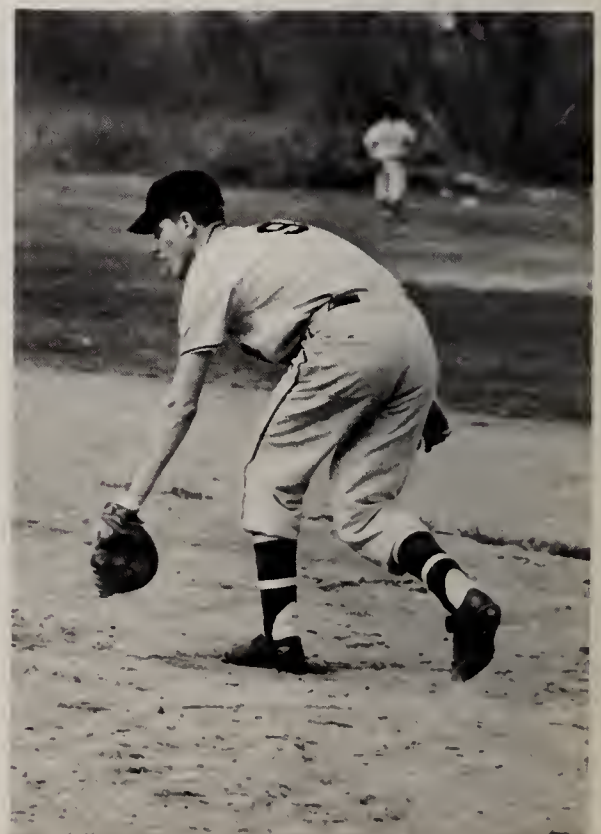

Starting off fast, the team compiled an 8-2 record, but faltered slightly toward the end. They finished the season with a fine 10-6 slate.

Two bright spots of the season were the two victories against vital Methuen by scores of 3-1 and 1-0. However, the Knights dropped an 11-inning heart-breaker to the same club by a score of 1-0. The game was to decide the league championship.

Far and away, the outstanding player of the season was the Knight's ace left-hander, Rich Robinson. He compiled an excellent 7-1 record, and contributed more than his share of the hitting. He has been a valuable asset to the team for 4 years, and his loss will be felt dearly.

Beep Foster, Bruce Allen, Lenny White, and Dick Dufresne have also been most helpful to the winning season.

John Stephenson, who played a fine second-base all season, was elected captain for next year.

Back Row: Coach Howard Crozier, Edward Morgan, Bernard McDonald, Kenneth Westbrook, Michael Jackson, William Fournier, Thomas Sullivan, Ronald Galloni, Richard Alakel, Ronald Swasey, James Mistretta, James LaColla, Richard Owens, Raymond Guy, Coach Robert Roche. Front row: John Powers (Manager), Stephen Legal, Stephen Shea, Eric Lindfors, John Thistle, John Garvin (Captain), John Toomey, John Fleischmann, George Gregory, Brian Kennedy, Thomas Hayes (Manager). John Garvey and Thomas Licciardello are not in the picture.

TRACK

Through the skillful training of Coaches Howard Crezier and Robert Roche, the North Andover High School track team turned in another winning season of 7 wins and 5 losses. The fine managing of John Powers was a contributing factor to the team's success.

This year the team added a little more excitement to the meets by winning 3 meets in the last race, the relay. These wins may be attributed to the team's spirit, and the hard work of each member on the team.

It was also a season for school records. Gordon Otieno bettered his last year's record of 54.0 seconds in the 440-yard run to 53.2 seconds. Bill Fournier set a new record in the shot put with a throw of 4' 3 1/8", and Tom Licciardello brought his old record of 10 minutes, 55.7 seconds in the 2-mile run down to 10 minutes, 46.4 seconds. Many freshmen records were also set.

Other outstanding performers of the year were Capt. John Garvin (high scorer), John Thistle, Steve Legal, Steve Shea, Brian Kennedy, Skip Gregory, Bernie McDonald, Richard Alakel, John Curtin, John Garvey, Mike Jackson, and Ron Swasey.

Bernie McDonald, our sprinter and broad jumper, was elected captain of next year's team.

Then said a teacher, Speak to us of Teaching.

And he said:

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

The astronomer may speak to you of his understanding of space, but he cannot give you his understanding.

The musician may sing to you of the rhythm which is in all space, but he cannot give you the ear which arrests the rhythm nor the voice that echoes it.

And he who is versed in the science of numbers can tell of the regions of weight and measure, but he cannot conduct you thither.

For the vision of one man lends not its wings to another man.

And even as each one of you stands alone in God's knowledge, so must each one of you be alone in his knowledge of God and in his understanding of the earth.

The Johnson Chapter of the National Honor Society continued the work of previous years in trying to establish a firm basis of scholarship, leadership, and service for North Andover High School. The year 1965 showed an encouraging marked increase in the number of members elected into the society.

Among the activities of the Honor Society are the annual Christmas Dance, tutorial service offered to the student body, participation in the annual Eastern Massachusetts Conference of Honor Societies, and the awarding of a cash prize to the senior who maintains the highest English average for four years.

The officers elected for 1965 were Susan Zimny, President; Barbara Bates, Vice President; Joanne Coughlin, Secretary-Treasurer. Miss Margaret Donlan is faculty advisor to this national organization.

The Student Council had a dynamic start this year. Committees were formed and work begun on the Student Court and Social Calendar.

The remainder of the year the members enthusiastically engaged in other projects to improve the school. The Student Council representing the student body, serves the students by patrolling the cafe, by sponsoring an election for the Football Queen, through Bank Day, and by representing North Andover at the Annual Student Council Convention.

The Scholarship Drive is the biggest task of the year. The funds acquired by Tag Days are put toward this drive. The sale of bonds by the student body and the cooperation of the town enables scholarships to be presented to worthy seniors.

For the first time the Student Council had Mothers' Day. The Football Players' Mothers were presented with carnations and honored at the Thanksgiving Day game. This innovation proved so successful that it is sure to be continued.

Under the able guidance of Mrs. Grossman, the leadership of its officers, and the cooperation of its members, the Student Council of 1965 was a great success.

Officers of the Student Council are Stephen Shea, President; Richard Robinson, Vice-President; and Donna Bellorado, Secretary-Treasurer.

The Mathematics Club, under the direction of Mr. Arthur Forgetta and Mr. Joseph Lynch, has as its purpose the encouragement of interest in mathematics.

The Club, as a member of the Eastern Massachusetts Mathematical League, participates in monthly contests held at member schools. North Andover was host in April. The Club was also host to the regional contest of the Essex County Math Fair held March 6, when finalists were chosen to enter the state wide fair at Salem State, March 20.

The Club sponsored a Halloween Dance, which provided funds for League dues and awards.

The Annual Banquet was held in May, when next year's officers were elected and awards were presented to the highest scoring sophomore, junior, and senior.

The officers of the Club for the 1964-1965 season were Barbara Hanlon, President; Paula Stueve, Vice-President; and Claire Shola, Secretary Treasurer.

SCIENCE CLUB

The Science Club, under the direction of Mr. Thomas Regan, takes an active part in helping interested students gain knowledge in the field of science. It helps them also to prepare for the Science Fair, which was held on March 19, 1965. It develops an increased interest in subjects pertaining to all areas of science.

In the Fair, students displayed their projects in competition with many other capable students. After the winners at the high school are selected, they participated in the Technorama at Lowell Technological Institute for the State Science Fair. The students were judged on the basis of Scientific Knowledge, Presentation, Originality, and Neatness.

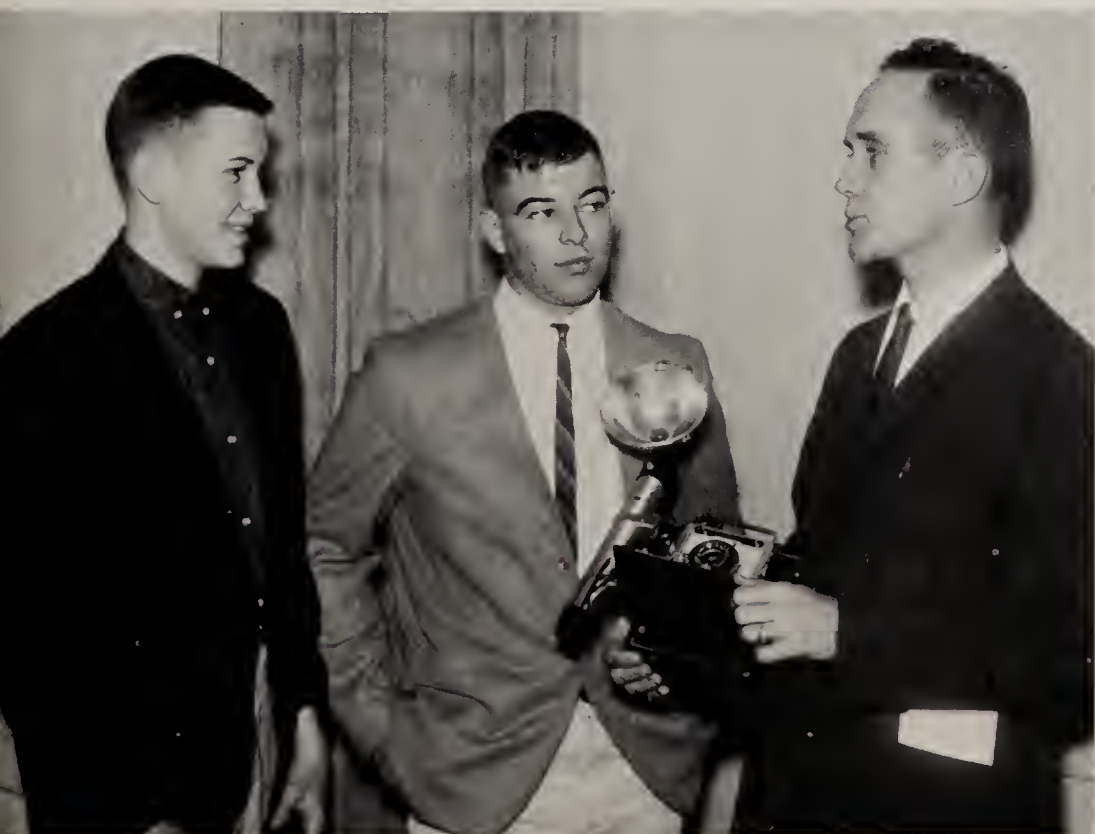

Their interests flourish in the Science Club, which gives its members the opportunity to work in the fields they enjoy most. They can learn more about scientific data, experience, and arriving at conclusions. Members obtain great satisfaction and education working in the field of science.

The officers for this year are Kathleen Hearty, *President*; George Gregory, *Vice-President*; and Paula Stueve, *Secretary*.

Back Row: David Ciarcia, Roy Mallory, John Donahue, George Gregory (Vice-President), Gordon Otieno. Front Row: John Powers, Francis Campione, Barbara Hanlon, Paula Stueve (Secretary), Kathleen Hearty (President), Claire Shola, Marilyn Taylor, Mr. Regan (Advisor).

PHOTOGRAPHY CLUB

Left to Right: James Barwell, Michael Horgan, Mr. John Robinson (Advisor).

The Photography Club, under the supervision and guidance of Mr. John Robinson, is devoted to helping the Club's members gain skills and techniques in the art of photography.

Much time and effort was dedicated to the taking and developing of photographs for the *Squire*. The amateur photographers also submitted many useful pictures of professional quality to the *Eagle Tribune*.

The Photography Club sponsors a dance each year which provides the needed funds to purchase new equipment, film, and the other supplies necessary to the photographer.

In order to qualify for membership, the candidates are given individual assignments. The interest in photography, the respect for photographic equipment, and the quality of their trial work are the three points used for the consideration of membership.

The Dramatic Club is open to all North Andover High School students.

During the year the students attend various theatrical presentations in the immediate area. In addition, a Theatre Party is held, which includes a trip to Boston to view a professional play.

As part of the Veterans' Day Program, the band played "The Navy Hymn" in honor of the late President Kennedy. They also participated in the Annual Carol Sing. In addition to providing the accompaniment for the carolers, the band was also featured in several numbers.

On May 15, the band participated in the New England District Festival in Maynard. Last year at the festival they received a Number One rating, which is the highest rating possible.

The Russian Club, under the direction of Mr. Arthur P. Hall, is one of the most recently formed groups at the North Andover High School. At present, the club consists of approximately thirty members, including a range from Freshmen to Juniors. The elected officers for the 1964-1965 season were: Barbara McCann, President; Kathleen Oakes, Vice-President; and Kathleen Fiori, Secretary-Treasurer. The meetings are held every two weeks on Monday and Friday. The purpose of this club is to acquaint its members with the Russian life, language, and customs of its inhabitants. This is accomplished by showing film strips and by listening to selected lecturers who have recently visited the Soviet Union. In March, the Club presented an award-winning Russian movie, "Private Ivan Brovkin" for the public. The members hope to offer similar productions for the benefit of the public in the future. The future ambition of the club is to attend the annual international conference at New York.

KNIGHTINGALES

The *Knightingales* are a group of singers who were organized in 1964 by Mr. Clarence J. Mosher, Head of the Music Department at North Andover High School. There were eleven girls originally; now there are twelve. The *Knightingales* have sung at Beverly and for the North Andover Women's Club. On December 12, they sang at Boston University, where they received a rating of "2." Those whose performances were given special acclaim were Alana Walker, Mary Henshaw, Diana Ota, Kathleen Fiori, Darlene Erikson, and Margaret Aspeslagh. The *Knightingales* are scheduled to sing again on April 3, at the New England Music Federation Association of Cambridge. Under the expert guidance of Mr. Mosher, this fine group has contributed greatly toward the honor and reputation of its school.

Back Row: Mary Henshaw, Linda Goguen, Diane Ota, Alana Walker, Justine Fountain. *Front Row:* Darlene Erickson, Elizabeth Evans, Mary Lou Philbin, Kathy Fiori, Peggy Aspeslagh.

LIBRARY CLUB

The Library Club is one of the new organizations of this high school started last year. Its purpose is to create a better understanding between the students and the books. Projects every month are displayed by the members, and field trips to different libraries in this area are conducted. Through the school year one may attend a play in Boston or a local theater. Plays of Shakespeare and modern classics have been seen throughout the past year. Recordings of famous sayings and popular literature are purchased by the group through funds. Wide varieties of magazines in the library help the students in choosing the right material for papers. Members have learned the system of cataloguing books and help students through the school day and before and after classes. Annual Book Club week is held each year when students may purchase paper-back books. Through the hard work, the Library Club has made this a fine, well organized club.

Officers of the Library Club are Anne Armitage, President; John Powers, Vice-President; Sandra Beaumont, Secretary; Ann Mathison, Treasurer; and James Calzetta, Coordinator.

Back Row: Lewis Hull (*Advisor*), Elizabeth Evans, Janet Ippolito, Pauline Crosby, Kathy Pybus, John Toomey, Regina Underwood, Ellen Hayes, Mary Henshaw, Patricia Hughes. *Front Row:* Susan Middleton, Cecile Guy, Ann Armitage, John Powers (*Vice-President*) Sandra Beaumont, James Calzetta, Cassie Garneau, Priscilla Bastian.

CHEERLEADERS

Back Row: Linda Routhier, Donna Houghton, Barbara Hanlon, Eleanor Perron. *Middle Row:* Donna Bellorado, Michele St. Hilaire, Catherine Crane, Maura Lynch. *Front Row:* Marilyn Foley, Linda Bettencourt, Patricia Steele (*Captain*), Joanne Coughlin, Nancy Murphy.

First in ten, do it again! Baskets, baskets, baskets! Do those sounds sound familiar to you? They do to anyone who has attended a football or basketball game at N.A.H.S. They're the sounds of the cheerleaders urging N.A.H.S.'s athletic teams on to success. A big part of the team's effort is put forth with the knowledge that the support of the student body is behind them 100%.

For the annual Thanksgiving Day rally, the cheerleaders presented a unique program with Pat Steele as King Arthur and the other cheerleaders as knights of the round table. What could have been more appropriate? They enriched the school spirit and enthusiasm with two additional rallies.

In a competition with fourteen other schools, N.A.'s cheerleaders placed second, and brought home their second trophy in two years.

This year the girls were under the supervision of Miss Abel.

MAJORETTES

Back Row: Francis Nice, Carol Isherwood, Ann-Marie Isherwood, Irene Cole, Wendy Leslie, Dolores Palmieri, Diane Charow, Ann Packard, Brenda Bussiere. *Head Majorettes:* Mae Annis, JoAnn Andreukaitis.

The Majorettes, under the capable direction of Mr. Milton Kimmel, completed another successful year as they led the band, and helped to stimulate school spirit at the football games.

The nine Majorettes performed various routines consisting of twirling and dance steps which they had created themselves. They practiced on Wednesdays and Fridays to improve their performance at the games.

For the annual Thanksgiving game with Andover, the Majorettes did their dance routine to "Swingin' on Parade." Their performance, which was preceded by a great deal of careful preparation, was particularly well received.

The Majorettes also participated in the Santa Claus Parade, the Veterans' Day Parade, and the Memorial Day Parade. Their marching and precision were commended by all who were present.

Bright red plumes brightened the Majorettes' uniforms, and also displayed the North Andover colors.

The Majorettes greatly enjoyed their work together, and extend their best wishes to those who are fortunate enough to participate as Majorettes next year.

Back Row: Don Smith, Jane Valpey, Nancy Zimny, Christine Lynch, Barbara Bates, Sheryl Locke, Carol Teel, Gail McAvoy, Stanley Reed. *Front Row:* Cathy Crane, Bobbie Morse, Bernie McDonald, Sylvia Andrews, Gayle McDonald, Thomas Licciardello, Corinne Towler, Susan Zimmy, Miss Biggelstone (*Advisor*).

SKI CLUB

PEP CLUB

School spirit, a quality needed in every high school, has been boosted at North Andover High School by the members of the Pep Club.

Donna Bellorado, chairman of the club, and the members deserve much credit for their fine support to N.A.H.S. This was truly shown by the large number present at the Tech-Tournament games.

Using the ideas of last year's organization, the Pep Club is the beginning for the achievement of a united student body. They have supported various competitive teams, many other activities of fellow classmates, and most important, helped make the atmosphere of high school life better.

It is support, like that given by the Pep Club, that makes the students have a feeling of pride and devotion to their school.

FOOTBALL

Despite a disappointing won-lost record, the 1964 football campaign may be rated as a success. This year's Scarlet Knights had spirit and a will to win. They worked hard in practice, and their hustle on Saturdays proved it.

Led by Captains Brendan Foster, Bruce Allen, and Stephen Whittaker, the team was kept on the go. With three games remaining in the season, the Knights were winless, with their best effort being a 12-12 tie with Little Three rival Methuen. Meeting a larger Billerica squad at the latter's field, the Scarlet Knights registered their first victory, a 19-0 rout. In their second to last game of the season, the Knights ran Burlington right off the field with a 31-0 romp.

The season's finale came against traditional rival Andover on Thanksgiving day. Despite a score of 22-7, North Andover fought their opponent on even ground. After a few minutes, the Scarlet Knights led briefly, 7-6. Andover took the lead shortly after, and both teams played aggressive football. The Scarlet Knights showed much spirit in the final period as they kept

fighting right up to the final whistle.

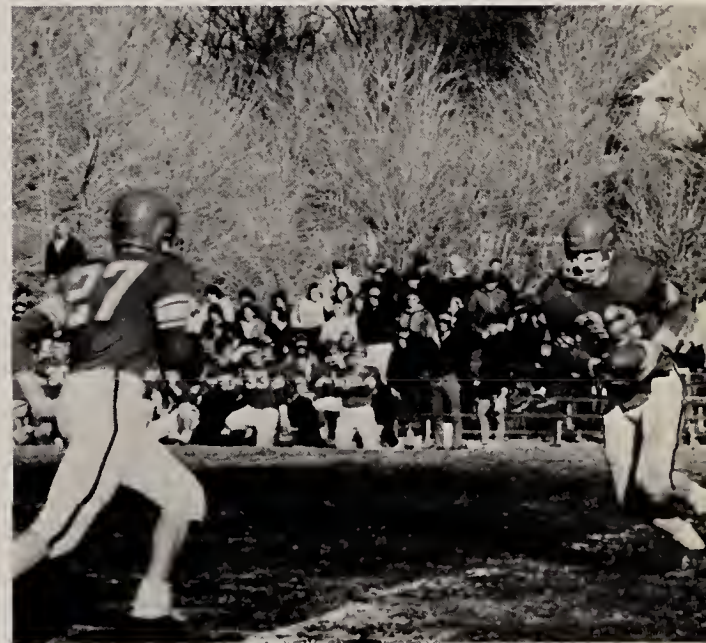

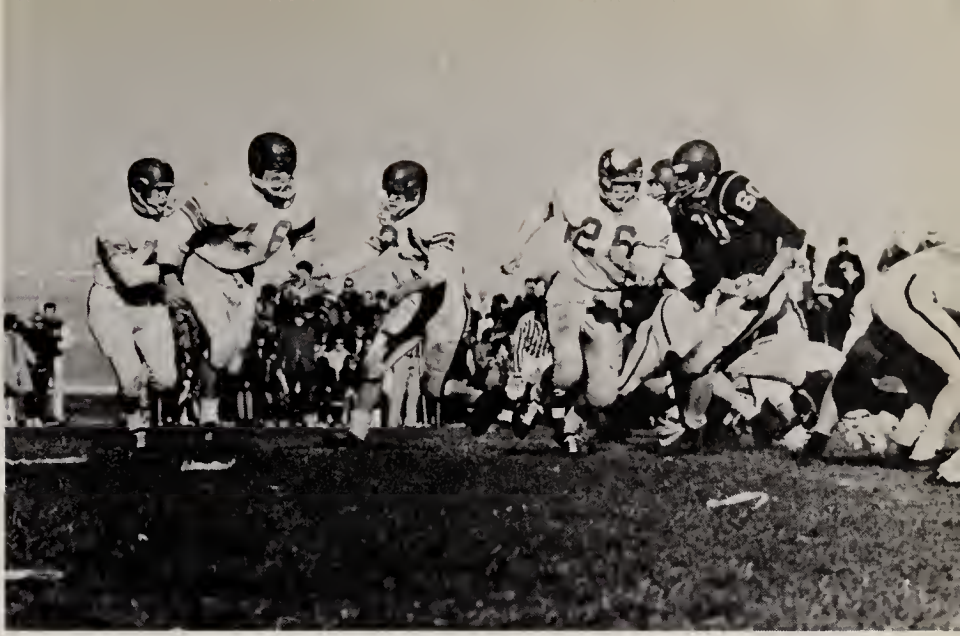

After the game, most people felt that it was the best game played against Andover in many years.

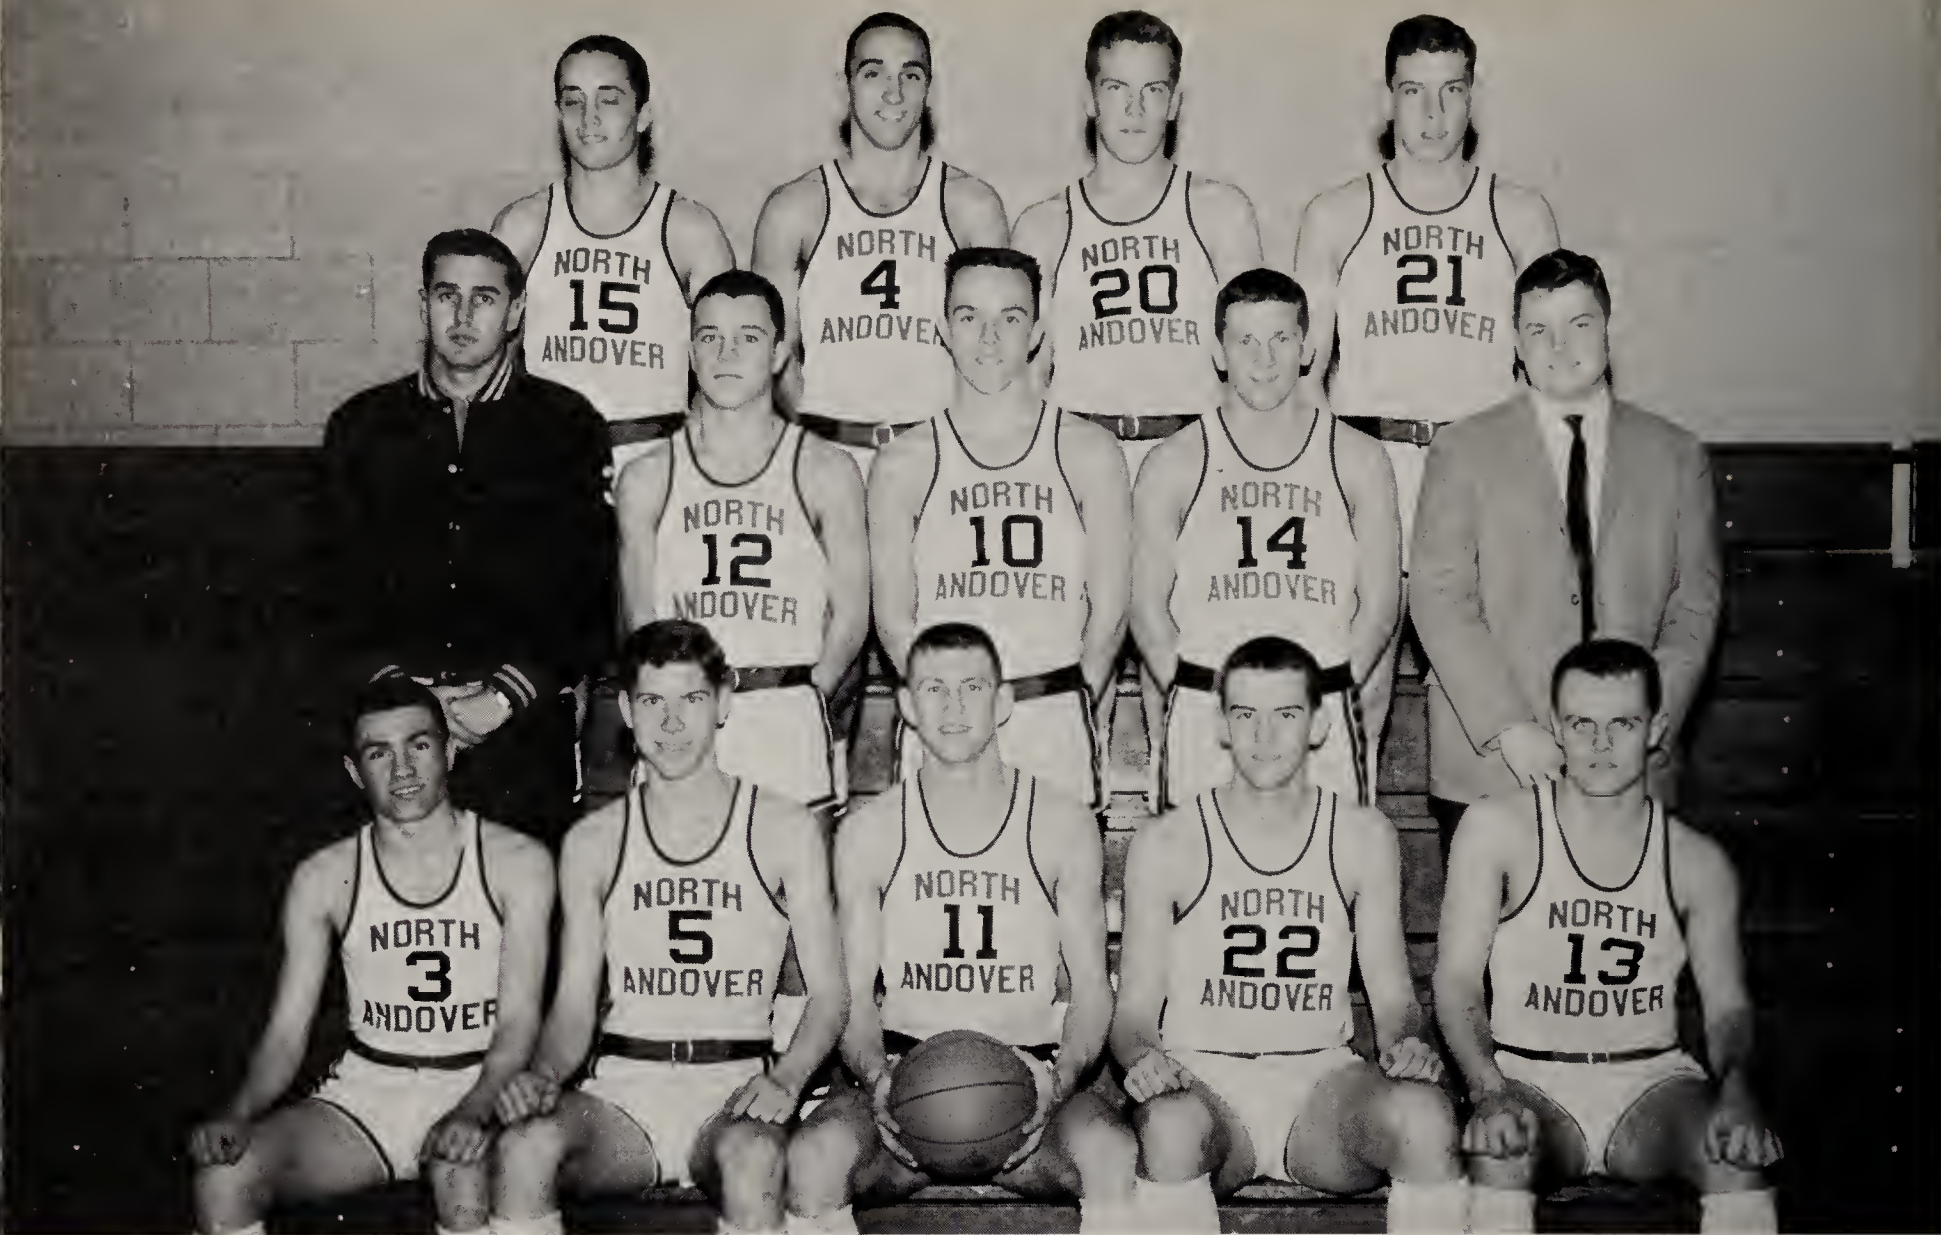

The 1964 Scarlet Knights had two players voted to the Lowell Suburban League All Star Team. Senior co-captain Brendan Foster was elected to a defensive half-back position, while junior John SanAntonio was elected to an offensive guard post. It was a fine tribute to these two hustling, hard working players.

The Scarlet Knights gave their fans many thrills this season. A four-pass interception by Brendan Foster against Methuen, and a return of an interception for 91 yards and a touchdown by Bruce Allen highlighted the thrills.

This year's team also had many fine juniors led by John SanAntonio, next year's captain.

Every member of the 1964 Scarlet Knights' football squad showed improvement. This unit improved with every game. That in itself is a successful season.

Back Row: Robert Gesing, Steven Summers, Allan Breen, Barry Humphreys. *Middle Row:* Robert Licare (*Coach*), John Stephenson, Neil Hermann, Steven Whittaker, Richard Shaughnessy (*Manager*). *First Row:* Bruce Allen, Leonard White, Brendan Foster (*Captain*), Brian Kennedy, Richard Robinson. *Absent:* Peter Slipp (*Manager*).

BASKETBALL

The 1964-65 Scarlet Knights Basketball Team was one of the bright spots of the athletic year. This year's club won 19 and lost 1. In attaining this fine record, the Knights won the Lowell Suburban League championship, the Little Three crown, and qualified and was top seeded in the Tech Tournament.

The '64-65 season had many highlights. This team scored 1575 points and averaged 78.7 points per game. In addition to this, the Knights allowed only 985 points for a 49.5 average. This year's team, led by determined captain Brendan Foster, scored more than 90 points on seven occasions. Despite all those bright spots, the greatest highlight of the year was when the Knights stopped Chelmsford's league winning streak at 52 games by a 52-51 count. This was the first time in five years that a North Andover club had defeated Chelmsford. Later in the season, the Knights defeated the Lion 71-62 in the rematch.

North Andover's lone setback of the season was at the hands of Little Three rival Methuen by a 55-52 score at the latter's court. In the rematch, the Knights took control and downed the upset-seeking Rangers 62-58.

As usual, Andover and Chelmsford represented tough threats. Early in the season the Knights downed Andover 67-56. In the rematch, North Andover crept away with a 51-49 victory on Lenny White's hoop with 3 seconds left. In the first game with Chelmsford, a basket by Ritchie Robinson, with 6 seconds left, brought victory. In the second Chelmsford game, the Knights were behind by 5 with four minutes remaining, when they broke it open and won by nine.

Winning close games is a tribute to a good coach. Coach Bob Licare now has a record of 75-18 since coming to North Andover. He's a hard working coach who has had some hard working boys.

Back Row: Richard Alakel (Manager), Jack Stephenson, John Thistle, Frank Cote, George Gregory, Jim Mistretta, Howard Crozier (Coach). Front Row: Ron Swasey, Jim Hardacre, Tom Licciardello (Co-captain), Bernie McDonald (Co-captain), Charles Olpp, Bob Di Carlo.

CROSS-COUNTRY

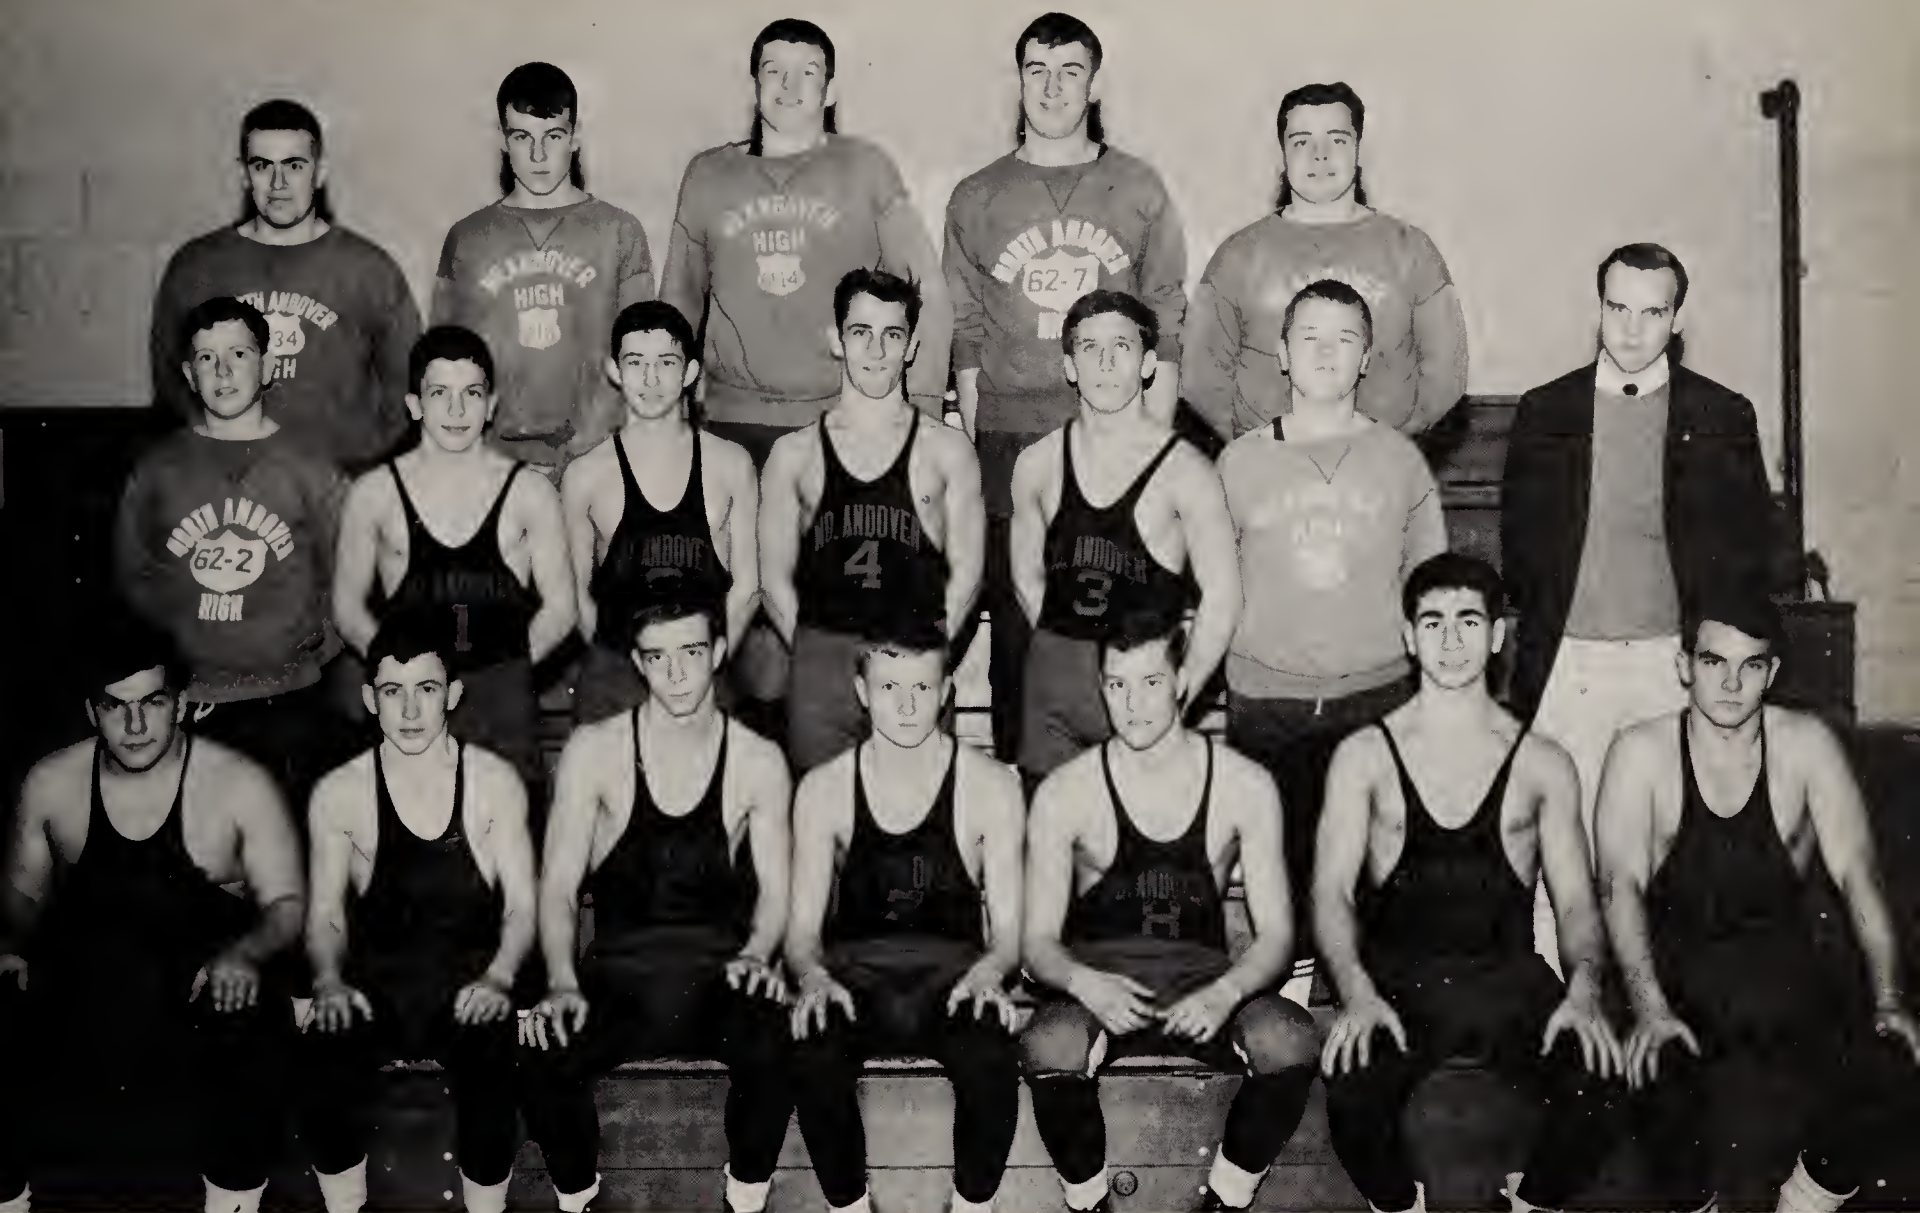

Under the fine coaching of Howard Crozier and the leadership of captains Tom Licciardello and Bernie McDonald, North Andover's newly established cross-country team finished up with a winning record of 6 wins and 4 losses.

The race itself is a two and one half mile grind over hills, through woods and ditches, and across streets. One course even included jumping fences and dodging cows. In cross-country, unlike other sports, the low score wins. The first five runners from each team place, and the number of points received per man is equal to the place he came in. The total points of the first five from each team is the final score. North Andover got off to a close start at the first of the season, nipping Wilmington by a score of 26-27, and then went on to win its next four meets with very little trouble. In many of these first meets Tom Licciardello, Ron Swasey and Bernie McDonald consistently placed one, two, three. But soon North Andover met defeat at Chelmsford, Billerica, Dracut, and Hamilton. But the North Andover runners did not let this bother them and finished the

season record stepping on Methuen, 20-44.

On the individual scoring Tom Licciardello was first and then followed by Ron Swasey, Bernie McDonald, Jackie Stephenson, John Thistle, Frank Cote and Skip Gregory. Cross-country, although it may appear to be more of an individual's sport, is actually all teamwork. Having seven good men gave North Andover the edge over other teams that had two or three outstanding men with nothing to back them up. N.A. had both good front men and plenty to back them up. In the Junior Varsity area North Andover only had four runners, Jim Heartacher, Charlie Olpp, Jim Mistretta, and Bob DiCarlo. Nevertheless these boys did well for their number and show great promise.

North Andover finished its season, placing fourth in the League Meet and also doing well in the State meet. This first cross-country team deserves plenty of credit for setting the sport off to a good start, and we hope to see it stay here in the future.

Back Row: Walter Hopping, Eric Korb, Ed Schruender, Charles Kaslow, Bill Fredette. *Middle Row:* Mike Beaudoin, Tom Licciardello, James Hardacre, Benjamin Montanaro, Steve Henry, Paul Ritchie, John Powers (*Manager*). *Front Row:* Bill Martinoli, Jack Garvey, George Gregory (*Co-captain*), Cliff McCarthy, Eric Lindfors, Kasper Kasparian, Robert Shay (*Co-captain*).

WRESTLING

Under the supervision of Coach Howard Crozier, the 1964-1965 wrestling squad turned out a successful season. The squad was co-captained by two boys who won a majority of their matches, Bob Shay and George Gregory. Under the leadership of these two boys, the squad worked hard in practice.

When the season opened, North Andover opened poorly. Having lost three of their first four meets, the Knights bore down and made a successful comeback. They won seven of their last eleven contests.

This season was highlighted by many things. The fastest pin in the year was set at 23 seconds. This mark was later set at 16 seconds by Steve Henry, a junior. During the Merrimack Valley Wrestling Meet, Steve knocked the record down to 13

seconds, the fastest pin recorded in our school.

The Merrimack Valley Meet was a bright spot for North Andover's "Grapplers." In this meet, Steve Henry won the championship in his weight class, while Tom Licciardello and Bill Martinoli took seconds in their classes. Steve was also voted as the outstanding wrestler of the meet.

Despite being marked with inexperience, the 1964-65 wrestling team earned a winning 8-7 record. This record was aided greatly by next year's co-captains Steve Henry and Tom Licciardello, who together earned a record of 31-1.

Our wrestlers worked hard and showed marked improvement with every meet. They were fine representatives of North Andover High.

Back Row: Patricia Stone, Jeanne Coram, Emma Northrup, Carol Giarrusso, Marcia Stewart. *Mid-
dle Row:* Miss Bigglestone (*Coach*), Ellen Harris (*Manager*), Susan Gaffney, Sheryl Locke, Barbara
Gallenstein, Kathy Willis, Nancy Zimny, Carol Vernile (*Manager*), Margaret Trombly (*Manager*).
Front Row: Thoma Maxwell, Sylvia Andrews, Susan Zimny (*Co-captain*), Jane Valpey (*Co-captain*),
Barbara Bates, Jane Broadhead.

GIRLS BASKETBALL

The Girls' Varsity Basketball Team, coached by Miss Gail Bigglestone, ended the 1965-64 season with a record of five wins and ten losses. The team was led by their two able captains, Susan Zimny and Jane Valpey. The girls started the season with two impressive wins over St. Patricks of Lawrence. Even though they were handicapped by a lack of height, the girls displayed fine basketball ability. Co-captain Susan Zimny was the team's high scorer with 109 points. Pat Stone was close behind with 106 points. Forward Nancy Zimny played a fine season as did sophomore Emma Northrup. Along with Co-captain Jane Valpey, Sylvia Andrews turned in a spirited performance as guard. Junior guards Jane Broadhead and Sheryl Locke displayed exceptional defensive play.

The North Andover girls played against a tough Lowell Suburban League this season. On top of the league was hard-hitting Wilmington, the undefeated champions. Each of the teams played had a considerable advantage over the girls in height. Even though North Andover was on the losing end, one of their finest efforts was against first-place Wilmington.

The final score was 34-31. In this match North Andover had two players in double figures. Susan Zimny had 12 points and Pat Stone had 11. In addition to beating St. Patricks twice, the girls split with Chelmsford, defeated Andover, and ended the season with a lopsided win over Burlington. In that game Pat Stone was high scorer with 15 points and Nancy Zimny had 12. In addition to the seniors mentioned, the team is losing the services of Barbara Bates, Thoma Maxwell, and Barbara Gallenstein, all of whom have contributed to the spirit and performance of the team.

The Junior varsity sported a record of eight wins and seven losses. Many of the games were hard fought, and the difference in the final score was a matter of a basket or two. High scorer for the team was freshman Bev Boynton. Top performances were turned in by co-captains Chris Fraser and Linda Leonyck, as well as Jackie Marsan, Susan Smith, Sharon MacNeil, and Nina Shea.

The varsity captains for next season are Nancy Zimny and Pat Stone.

Back Row: Miss Biggelstone (*Advisor*), Susan Gaffney, Patricia Morin, Barbara Gallenstein, Jane Valpey, Barbara Bates, Janet Olpp, Carol Teel, Nancy Zimny, Nina Shea, Corinne Towler (*Manager*).
Front Row: Lissa Broderick, Pat Stone, Susan Zimny, Sylvia Andrews, Bobbie Morse (*Co-Captains*), Sheryl Locke, Chris Fraser.

GIRLS FIELD HOCKY

1965 can be marked down as a winning year for the Girls' Field Hockey Team. Coach Gail Bigglestone greatly contributed to the successful season in which a record of five wins and three losses was established. Success was also partially due to the rigorous afternoon sessions lasting more than two hours during which team members repeated standard drills and played in mock games. Tri-captains Sylvia Andrews, Roberta Morse, and Susan Zimny combined their skills into fast offensive and defensive plays.

The loss of the first two games of the season only sparked the team to steady improvement, and they consequently won

five contests. The only other loss was to the Methuen Eleven. This game pitted the talents of two good teams in a see-saw battle against time, resulting in a 4-3 loss for North Andover.

High scorer for the season was Susan Zimny, who collected eleven goals. Sylvia Andrews also boosted the record with six goals. Lissa Broderick and Nancy Zimny were also season stand-outs in stopping the opposition.

The Junior Varsity Team compiled a record of 2-1-2. Sheryl Locke and Nancy Zimny were chosen to captain next year's team.
